

[6th Edition Building an inclusive school for all !: European training course on inclusive education](#) [1]

15 au 20 mars 2020 - Castiglione del Lago, Italie

The 6th edition of the European Association of Service Providers for People with Disabilities (EASPD) training course on inclusive education aims to develop the understanding and expertise of teachers, trainers, headmasters and school staff on inclusive education for persons with disabilities. It will offer a framework for the further development and promotion of inclusive education, as well as a hands-on experience in the planning of such an approach. The course provides a certificate delivered by a European organisation.
