

[Building an inclusive school for all : Registrations open for 5th edition of EASPD's week long training on inclusive education](#) [1]

10th-15th March 2019 - Tirana, Albania

The 5th edition of this training course aims to develop the understanding and expertise of teachers, trainers, headmasters and school staff on inclusive education for persons with disabilities. The course provides a certificate delivered by a European organisation.

Covering topics such as the UN Convention on the Rights of Persons with Disabilities; the Index for inclusion; Universal Design for Learning; Strategic planning and change management and by including a school visit to see inclusive education in practice, the course offers a framework for the further development and promotion of inclusive education, as well as a hands-on experience in the planning of such an approach. Registrations for the course are open.
