As part of their work, to further support the implementation of different systems for the inclusion of persons with disabilities in the workforce, EASPD (European Association of Service Providers for People with Disabilities) and Ladapt (L'Association pour l'insertion sociale et professionnelle des personnes handicapées) are pleased to announce that applications are now open for its 2020 Employment for All Award! Now in its 4th edition, the award aims to promote strategies that facilitate the employment of persons with disabilities on the open labour market; provide them with equal opportunities to access gainful employment and enable them to gain a greater control over their independence in terms of employment and financial stability. The winners of the Employment for All Award will be announced during EASPD and Ladapt's European Conference "Employment of Persons with Disabilities: Road to Employment" in Paris on 4th-5th May. The award will be presented to social care and support providers, businesses or employers who have designed and implemented effective and innovative systems for the employment of people with disabilities.

The deadline for nominations is 17th January 2020.
