My father's name is Stuart. He is a fireman so he can drive a fire truck and run very fast. My mother is Sandra. She is a music teacher. She can sing, play the piano and play the flute too, but she can't play the guitar. My big sister is Janice. She is a dentist and she has a daughter. She is married to Karim, a basketball player. Their daughter, my niece, is Leila. She is two and she can walk very well, but she can't really speak. My big brother is not married. His name is Jack. My small brother is Leo. I also have a brother and a sister who are twins. Their birthday is on June 14. His name is Kurt and her name is Courtney. They can sing and dance very well ! That's it for now!
