

[European Agency statistics for 2018/2019 school year](#) [1]

The European Agency Statistics on Inclusive Education (EASIE) data tables and country background information for the 2018/2019 school year are now available on the Agency's data web area. Data is presented in two tables. Data Table 1 provides data on all children/learners and where they are educated. Data Table 2 provides data relating to where children/learners with an official decision of special educational needs are educated. The data tables are accompanied by descriptive, qualitative country background information to give a clear context to the quantitative data provided.
