

[Recent Resources in the Field of Inclusive Education in Germany](#) [1]

The European Agency for Special Needs and Inclusive Education is publishing useful resources in the field of [inclusive education from Germany](#) [2]:

- New Approaches to Teacher Training – Incentives from the programme ‘Qualitätsoffensive Lehrerbildung’ : This brochure introduces the key topics of the ‘National Programme to Improve the Quality of Teacher Training’. It also provides insight into how to determine and measure the success of the programme.
- Inclusive Education in Germany.
- National Monitoring Mechanism for the UN Convention on the Rights of Persons with Disabilities.
